#### *Forward Looking Statement:*

*This news release contains certain statements that may be deemed "forward-looking statements" about the development of oil sands in Alberta, Canada. All statements in this release, other than statements of historical fact, that address future production, reserve/resource potential, exploration drilling, exploitation activities and events or developments that the Company expects to occur, are forward looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans" "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Information inferred from the interpretation of drilling results and information concerning mineral resource estimates may also be deemed to be forward looking statements, as it constitutes a prediction of what might be found to be present when and if a project is actually developed. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's Patch's management on the date the statements are made. The Company undertakes no obligation to update these forward-looking statements in the event that*

*management's beliefs, estimates or opinions, or other factors, should change. For further information investors should review the Company's filings that are available at [www.edgar.com](http://www.edgar.com).*
