**Patch International Inc. Announces Executive Changes¶**

---

Patch International Inc. ("Patch") (OTCBB: PTCH, Frankfurt: PQGB) is pleased to announce changes to management roles.

Under the leadership of Michael S. Vandale and commencing in December 2006, Patch has evolved into a significant oil-sands business having acquired and earned an interest in 50 gross sections of prospective leases, recruited personnel, including members of the technical, operational and financial management team, and closed financings in excess of CDN\$25 million. Mr. Vandale has indicated his desire to continue to assist Patch in its strategic development and has resigned as President and Chief Executive Officer and assumed the role of Chairman of the Board of Directors.

Mr. Jason Dagenais, currently Vice-President of Operations will assume the role of Chief Operating Officer of Patch.

Patch thanks Mr. Vandale for his significant contribution to the success of Patch and looks forward to his continued contribution as Chairman of the Board of Directors.
